BIRCHWOOD, WI 54817

Application for Seasonal Refuse

WHAT IS SEASONAL REFUSE?

Seasonal refuse, or the 'snowbird' discount, is a credit given to residents of the Village of Birchwood who are only here with us during part of the year. The idea behind the discount is to provide a small bit of financial relief to residents while they are not using the service, but allowing them to keep their service active.

WHEN CAN I GET SEASONAL REFUSE?

Seasonal refuse is available to all Village of Birchwood utility customers who apply and meet eligibility requirements. The credit is applied once a year during the 1st quarter billing cycle.

WHO CAN GET SEASONAL REFUSE?

Any resident of the Village of Birchwood who is not here for 3 months may apply for seasonal refuse. Additionally, all residents of Holly Hill Lane are eligible for this credit due to extenuating circumstances that prevent refuse pickup during the winter months.
